Birlasoft Named as a Leader in the ISG Provider Lens™ Next-Gen Application Development and Maintenance Services U.S. 2021 Quadrant Report

The ISG report evaluates service providers that offer agile application development based on their expertise

Pune, Noida (India) and Edison, NJ (USA) | Oct 28, 2021: Birlasoft Ltd [BSE: 532400, NSE: BSOFT], part of the USD 2.4 billion diversified CK Birla Group, and a global enterprise digital and IT services company, today announced it has been named as a Leader in the Agile Development Specialists Quadrant of the 2021 ISG Provider Lens™ Next-Generation Application Development and Maintenance Services Report for the U.S. by Information Services Group (ISG), a leading global technology research and advisory firm.

The 2021 ISG Provider Lens™ Next-Generation Application Development and Maintenance Services Report for the U.S. highlights the current market positioning of providers of agile development in the U.S., based on depth and quality of service offerings and market presence. The Agile Development Specialists quadrant in this ISG report evaluates service providers that offer agile application development based on expertise. The selection process is based on their ability to determine a talent acquisition program, establish a work environment to retain consultants, provide training programs and contributions to industry associations. They are also evaluated on their research centers, knowledge, and use of specialized media.

Birlasoft’s focused and industry-defining application development and maintenance capabilities are aligned to help clients develop a long-term strategy for their application portfolio, yield intended business value from existing applications and infrastructure, and reduce the cost of upkeep. Its proprietary ADM services methodology combined with its robust solutions and accelerators built for its focus industries ensure quality compliance, continual improvement, information intelligence, and reduced TCO in the long run.

“We are delighted with our positioning as a Leader in the Agile Development Specialists quadrant of the 2021 ISG Provider Lens™ Next-Generation Application Development and Maintenance Services Report for the U.S. and thank ISG for the recognition. Backed by industry expertise, strength in technology subsets, and focused strategies to help organizations reach IT maturity levels, this acknowledgment is a validation of our capabilities and the trust that our customers have invested in us.” said Dharmender (DK) Kapoor, CEO & MD, Birlasoft.
