- On 21 November 2025, the Government of India notified provisions of the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020 and the Occupational Safety, Health and Working Conditions Code, 2020, ('Labour Codes') which consolidate twenty-nine existing labour laws into a unified framework governing employee benefits during employment and post-employment. The Group has assessed the financial implications of these changes which has resulted in an increase in gratuity liability arising from past service cost and an increase in leave liability aggregating to ₹ 406.88 million primarily due to changes in wage definition. Considering that the impact arising from the enactment of the new legislation is an event of a non-recurring nature, the Group has presented this incremental amount as "Impact of Labour Codes" under "Exceptional Item" in the Unaudited Consolidated Financial Results for the quarter and nine months ended 31 December, 2025. The Group continues to monitor the finalisation of Central and State rules, as well as Government clarifications on other aspects of the New Labour Codes and will incorporate appropriate accounting treatment based on these developments as required.
